### Alpha-numeric Sail Numbers

The CYA has come to an arrangement with Yachting NZ to issue alpha-numeric sail numbers to CYA members' yachts in the APYMBA sequence abandoned on the introduction of national numbers in 1970.

YNZ will recognize these numbers for racing and identification purposes. The rules of issue are posted on the website along with application forms - applications are invited for consideration.

There are still a lot of member's vessels out there that have not had their alpha-numeric numbers registered with us.

There is no charge to register your number with the CYA and we look forward to hearing from you

Contact Joyce if you would like a copy or an application form.

### Let's Go Sailing

The CYA and the Auckland Classic Yacht Charitable Trust are seeking additional skippers and crew for their growing fleet of classic vessels.

Experienced former boat owner-skippers, and beginners through to experienced sailors, are invited to make contact to view the yachts and meet the people to discuss the various opportunities - and then enjoy the fun and the camaraderie of sailing these fine old historic wooden vessels.

In the first instance contact Joyce: [admin@classicyacht.org.nz](mailto:admin@classicyacht.org.nz)

## NZ Traditional Boatbuilding School

(formerly known as Auckland Traditional Boatbuilding School)

This year our main courses are:

§ **One year “ Certificate in Traditional Boatbuilding ”**  
this is a NZQA approved course.

§ **Tuesday Night School Hobby class.** his very successful course has grown in numbers over the last three years and is expected to be extremely popular in 2010.

§ **Tuesday Morning Hobby Class.** This is a new class and offers the same wonderful opportunity to build a small boat or complete a small project but in a day time class..

§ **Build a Clinker Dinghy – 4 week full time course**

§ **Build a half model boat (new)**

§ **Boat Builders Toolbox (new)** like the apprentice chests of old, a great chance to learn some valuable hand tool skills including dovetailing.

§ **Spar & Oarmaking (new)**

We are currently developing a new course on Traditional Wooden Boat Maintenance. This will be an evening course in modules covering all aspects of wooden boat ownership and maintenance, register your interest now!

## RYA On-the-Water Instructor

*Develop yours &/or your partners skills & confidence*

*Learn how to run your Yacht, or Launch*

*Learn in your own cruising grounds on board your own vessel*

- Knowledge of your vessels capabilities.
- Due attention to its handling.
- Understanding its engine and other mechanical functions
- Awareness of changing weather and sea conditions.
- Knowledge of your cruising grounds.
- Careful navigation.
- Attention to personal safety.

All of the above can make for a great time on the water. And at the end of the day maneuvering your vessel in and out of anchorages, moorings or marinas can make or break the whole experience.

“With the knowledge and confidence to navigate and handle your boat safely with friends and family you can truly enjoy a worry free experience”
