January 2013

With the New Year upon us we can't help but consider what lies ahead in 2013 as well reflect on the year just been. All too often I hear the words, 'where has the time gone?'. Is it our busy lifestyles that allows little time to stand back and smell the roses, or is the clock ticking just ever so faster that we can never quite catch up? If the culprit is a busy lifestyle, perhaps it is time to do less, to achieve a better sense of well being come the end of the year. That much overused expression 'less is more' may well be true with our lifestyles. Perhaps by focussing on fewer activities will rest the mind and spirit. If you are keen on making and keeping a New Year's resolution maybe 2013 will be your year, whether it be getting fit, making those restorative changes on the boat or house, taking up a new interest or enjoying the ones more so that you have. I hope that you all have a fabulous year ahead, with lots of good times, good boating and good company. The Event Calendar for 2013 is pretty full below, so enjoy and hope that the weather will be on your side.
