A DVD presentation and informative talk given by Warren Tuohey, Iain Valentine and Bruce Tantrum on:

**THE CUP REGATTA  
MELBOURNE  
31 October – 4 November 2008**

Hosted by the Royal Yacht Club of Victoria at Williamstown on historic Port Phillip Bay, this is an event not to be missed. A great success with the inaugural regatta in 2007, the hospitable and friendly members of the Classic Yacht Association of Australia are again organising this regatta on the weekend before the famous Melbourne Cup, Australia's richest and most famous horse race at Randwick.

Enjoy delightful historic Williamstown, just a short convenient train ride from Melbourne. Fabulous shopping and art galleries for non-sailors and very good accommodation close to the RYCV. CYANZ sailors can crew on classic yachts ranging from 'couth' boats similar to our mullet boats, through a wide range of vessels to the wonderful restored 57 foot Fife 'Sayonara'.

Social events, yarns and stories, lots of laughs, a lovely prize giving.....

A warm welcome is extended to all CYA, RNZYS members and partners to join us for an account of the 07 Regatta and what lies in store for 2008!

All welcome to join us around 5.30pm for a bite to eat and/or a social drink in the Members Bar prior to the meeting

Register your interest: If you are thinking of joining the team heading over to Melbourne, please register your interest by contacting Joyce

**Rudder Cup Centennial Race  
12 December 2008**

An historic race from Auckland, round Sail Rock and back to Auckland (108nm) for classic launches will take place on Friday 12 December 2008 – exactly 100 years since the race was run originally.

The CYANZ is now taking registrations of interest from interested participants – more information and registration of interest forms are available online: [www.classicyacht.org.nz](http://www.classicyacht.org.nz) or by contacting Joyce: 09 836-4747

It is hoped that two of the original boats will take part, including *Seabird* from Nelson, who took line honours in 1908.

We anticipate there will be around 30 entries spread across four divisions:

- Veteran – launched before 31/12/1918
- Vintage – launched between 1/1/1919 and 31/12/1949
- Classic – launched between 1/1/1950 and 31/12/1978
- Spirit of Tradition – built since 1/1/1979 to a design dated back to before 1950

The race will start at 1900hrs on Friday 12<sup>th</sup> December 2008 with the first finishers expected at around 0500hrs on Saturday 13<sup>th</sup> December, with prize giving on Saturday evening.

This will be a handicap event, with sealed handicaps as per the original race. It is hoped to have the competing vessels moored together (venue to be confirmed) from Wednesday 10 December, until Sunday 14 December

**IMPORTANT: Points to note**

1. The race will be run under the supervision of the Classic Yacht Association of NZ (CYANZ) and to safety regulations based on Yachting NZ's Safety Category 3 with amendments.
2. Owners and/or Skippers will be required to be financial members of CYANZ.
3. CYANZ Launch numbers will be required to be worn.
4. Launches must have a minimum length on deck of 30 ft.

This is a closed event and skippers whose launches meet the safety and requirements of the Rudder Cup Race Committee will be invited to enter.

**So if you're vessel is 30ft or longer and you're keen to take part in this historic event....REGISTER NOW!!**

## Kahurangi's return to NZ

An invitation received from Pepe de Miguel

Kahurangi's refit is almost finished and my plan is to sail from Turkey to Balearics in June and from there to the Canary Islands, at the end of the northern hemisphere summer.

This is going to be the first leg on her way back to New Zealand. I would like to cross the Atlantic in December but this is not fixed in place yet.

My idea is to give two young people the chance to sail on Kahurangi and I would like to have a youngster from New Zealand during each leg of the journey.

There would be no on board expenses but he/she would need to cover the costs of airfares to join us. Everybody onboard will share duties including cooking.

Some sailing experience would be appreciated but not compulsory.
