Membership Subs for 2013 – 2014 Season

Soon you will be receiving your invoice in the mail for this coming season. If any details have changed over the last year please let me know so our records can be updated.

www.classicyacht.org.nz

Winter: Season for restoration and refurbishment.

I've been receiving stories about many vessels either out on the hardstand or on their berths getting a seasonal make over. What better time to work on the boat if you don't want to miss out on summer boating, however you just have to tough out the rain and cold. Fortunately, we have had a few good days brought into the mix to ease the process. One vessel having a makeover is the Lady Crossley currently up in Opuia and is having all her topside leaks fixed, by replacing windows, re-glassing the cabin tops, replacing coaming bolts, and repairs where required, finishing with re-varnishing etc. Should look a million dollars and last another lifetime.

Show you Float

Compulsory wearing of personal floatation devices is currently under discussion in our region. Waikato Regional Council already enforces having a correctly sized PFD for each person on board. In

www.classicyacht.org.nz

vessels less than 6m, everyone must wear a lifejacket. Waikato Regional Council also state that PFD's must be worn if there are high risks to people's safety.

The Safety of the Captain and Crew of Vessels is imperative. The CYA recommends that lifejackets are worn whilst cruising and racing especially when the weather is not ideal and/or there is a lot of other boat traffic about.
