

MARCH: Club Night

**Tuesday 10 March: 6.30pm
Royal NZ Yacht Squadron**

Guest Speaker: Jim Young on his experiences in designing and building boats

We are extremely fortunate to have Jim come and speak at our club night to share some of his experiences in boatbuilding and design over the last half century.

We are in for a very special evening and privileged to have one of New Zealand's most innovative and imaginative designers speaking to us.

The diversity of the range of vessels he has designed and built is simply staggering.

A warm welcome is extended to all CYANZ and RNZYS members and partners

**North Waikato Steam & Heritage Festival
Ngaruawahia 18-19 April**

Hello from the North Waikato! On behalf of the Committee, I would like to extend an invitation to you and the members of the Classic Yacht Association to come and join in the North Waikato Steam & Heritage Festival. To be held on April 18th. and 19th. 2009. An annual two-day event of old-fashioned fun and entertainment to celebrate the history of our region. Especially the significance of coal mining and the role that steam played in river transport during the early years.

This year to be held for the first time at the new Weavers (Puketirini) Lake Park Huntly venue on the Saturday. Then on Sunday at 'The Point' Domain where the Waikato and Waipa rivers meet in Ngaruawahia. Both feature excellent ramp facilities.

This, our sixth Festival, promises to be the best yet. A wonderful opportunity to display or demonstrate to the public your pride and joy. Our scenic lake and river venues offer delightful boating, a tradition the region has been famous for now for over 100 years. Plus there's our special North Waikato hospitality!

You and the members of the Classic Yacht Association would be most welcome to attend, and bring along your precious craft if you can. Safe indoor overnight storage is available if anyone would like to participate both days. (Thanks to our major sponsor Solid Energy).

Please supply a regular postal address if possible so we can post you some details and invitation forms. I note there is a veterans and vintage boats run listed on your website for the same weekend. However some may like to sample a different venue and join in with the steamboats, classic yachts and motorboats, rowboats and model boats we have attend down here! Boatbuilders and marine supplies firms are also very welcome to attend.
