

## March Club Social Night

Tuesday 9 March 2010

6.00pm at the Royal NZ Yacht Squadron

### Guest Speaker: Tony Blake on his Voyage to the Arctic

We are very fortunate in having Tony speak to us about his voyage to the northern ice last year – what an amazing voyage sailing on a beautiful 80 ft ketch from Oban in Scotland, through the Caledonian Canal to Inverness, thence to Bergen, Norway and up the Norwegian coast to Tromso.

From there up to the land of ice, snow and glaciers at Spitsbergen and 80 degrees North, including an encounter with a polar bear!

Tony's images are absolutely incredible and we look forward to having you join us and share this experience.

A warm welcome is extended to all CYANZ and Royal NZ Yacht Squadron members and partners

## Alpha-numeric Sail Numbers

The CYA has come to an arrangement with Yachting NZ to issue alpha-numeric sail numbers to CYA members' yachts in the APYMBA sequence abandoned on the introduction of national numbers in 1970.

YNZ will recognize these numbers for racing and identification purposes. The rules of issue are posted on the website along with application forms - applications are invited for consideration.

Contact Joyce if you would like a copy or an application form.

## The CYA/NZTBS Library

Is now open on Tuesday evenings and CYA members are welcome to visit. As there is still a need to comply with RNZAF security requirements at the gate in Buckley Ave, Hobsonville, CYA members who wish to have access will need to supply Harold Kidd with a standard 'mug-shot' photograph so a pass card can be issued.

Please contact Harold: [harold@ktmlaw.co.nz](mailto:harold@ktmlaw.co.nz)  
or ph: 09 444 1279 (after hrs)

### Books & Magazines for the CYA Library

We are happy to take any boatbuilding or yachting books and magazines that you'd like to donate to our ever-growing library.

Please contact Harold Kidd: 09 444-1279 res or 09 443-7433 bus e: [harold@ktmlaw.co.nz](mailto:harold@ktmlaw.co.nz)

## NZ Traditional Boatbuilding School

(formerly known as Auckland Traditional Boatbuilding School)

This year our main courses are:

§ **One year "Certificate in Traditional Boatbuilding"**  
this is a NZQA approved course.

§ **Tuesday Night School Hobby class.** his very successful course has grown in numbers over the last three years and is expected to be extremely popular in 2010.

§ **Tuesday Morning Hobby Class.** This is a new class and offers the same wonderful opportunity to build a small boat or complete a small project but in a day time class..

§ **Build a Clinker Dinghy** – 4 week full time course

§ **Build a half model boat** (new)

§ **Boat Builders Toolbox** (new) like the apprentice chests of old, a great chance to learn some valuable hand tool skills including dovetailing.

§ **Spar & Oarmaking** (new)

We are currently developing a new course on Traditional Wooden Boat Maintenance,  
This will be an evening course in modules covering all aspects of wooden boat ownership and maintenance, register your interest now!

## RYA On-the-Water Instructor for yachts & launches

*Develop yours &/or your partners skills & confidence*

*Learn how to run your Yacht, or Launch*

*Learn in your own cruising grounds on board your own vessel*

- Knowledge of your vessels capabilities.
- Due attention to its handling.
- Understanding its engine and other mechanical functions
- Awareness of changing weather and sea conditions.
- Knowledge of your cruising grounds.
- Careful navigation.
- Attention to personal safety.

All of the above can make for a great time on the water. And at the end of the day maneuvering your vessel in and out of anchorages, moorings or marinas can make or break the whole experience.

"With the knowledge and confidence to navigate and handle your boat safely with friends and family you can truly enjoy a worry free experience"
