A 'Show you Float' prize will be awarded at every CYA racing/cruising event.

## CYA Website

Earlier in the month of February there were a few problems experienced with our website which has since been sorted out. However I am still having a number of enquiries from

members who are experiencing problems using the site especially logging on. The **USER LOGIN** is only necessary if you wish to go onto the Forum. If you have forgotten your password you will need to contact the webmaster who will provide you with another. You cannot automatically do this yourself now, due to problems that the site has experienced with spam.
