Alpha-numeric Sail Numbers

The CYA has come to an arrangement with Yachting NZ to issue alpha-numeric sail numbers to CYA members' yachts in the APYMBA sequence abandoned on the introduction of national numbers in 1970.

YNZ will recognize these numbers for racing and identification purposes. The rules of issue are posted on the website along with application forms - applications are invited for consideration.

There are still a lot of member's vessels out there that have not had their alpha-numeric numbers registered with us.

There is no charge to register your number with the CYA and we look forward to hearing from you

Contact Joyce if you would like a copy or an application form.

The CYA/NZTBS Library

Is now open for research and general interest. CYA members are welcome to visit but it is essential to arrange access ahead of time.

Please contact Steve at the school ph: 416-1023 to arrange a time, please leave a message if the phone is unattended.

Boat Shed for rent

Makarau River Landing Boat Shed

The perfect restoration project boatshed is now available for rent.

Dimensions are 15m long, 5m wide and 7m high (approx)
The land is flat, concrete floor workspace, earth floor for vessel, dampish environment - good for wooden vessels because of minimal drying out,
single phase power, easy access, huge doors and minimal security risks.

The adjacent land is also available as a holding paddock for heritage vessels which have no home but are too good to burn. Vessels can be launched (rolled) and retrieved (winched) into the Kaipara Harbour (deep water access) from the property or 5 mins away at the concrete boat ramp.

Let's Go Sailing

The CYA and the Auckland Classic Yacht Charitable Trust are seeking additional skippers and crew for their growing fleet of classic vessels.

Experienced former boat owner-skippers, and beginners through to experienced sailors, are invited to make contact to view the yachts and meet the people to discuss the various opportunities - and then enjoy the fun and the camaraderie of sailing these fine old historic wooden vessels.

In the first instance contact Joyce: admin@classicyacht.org.nz
