CAKE DAY

& Round Rangi Race: Saturday 6th April

This annual event no doubt will prove just as much fun as ever.

For those racing first, all details are on our website, but once at Islington Bay whether racing or cruising you can enjoy the raft up and the onshore activities but get planning and baking. The competition for the best

cakes has two categories, taste and appearance. So let your imaginations loose and get baking. Don't forget to bring something for the post race BYO BBQ (including the BBQ if possible) otherwise get talking with fellow boaties and work something out together.

Top Up Courses @ the NZTBS

If you're feeling a little rusty about the what to do's with any trouble spots on your classic vessel, then you may want to come along to a One Day Course at the NZ Traditional Boatbuilding School. If you've been out on the water all summer and had a 'must get around to that' moment, now that we're heading into winter and the southerlies have begun, this may be the ideal time when you're no longer tempted to head out to the greater gulf and stay put and do some maintenance instead. The One Day Repairs to Wooden Boats Course is ideal for this. The next one is scheduled for 18th May.

Caulking & Carvel Planking One Day Course will be next held on 11th May.

All enquiries and registrations to Tanya.
