Amnesty from Yachting New Zealand

Is your yacht registered? If not, change of ownership registration is free until the end of January 2010.

It is important to register e.g. in an emergency or if your boat is stolen, registration will help enable rapid tracing of your boat by rescuers or police.

Registration is also a compulsory aspect of racing, because registration ensures compliance with RRS76.1 in the Yachting New Zealand Racing Rules & Safety Regulations.

You only need to register your boat once, and registration is permanent until somebody else takes ownership of it.

Find out if your details are up to date by searching our database.

Re registration forms are online on www.yachtingnz.org.nz or contact : Jenny Clarke jenny@yachtingnz.org.nz ph: 09 410 9725

Alpha-numeric Sail Numbers

The CYA has come to an arrangement with Yachting NZ to issue alpha-numeric sail numbers to CYA members' yachts in the APYMBA sequence abandoned on the introduction of national numbers in 1970.

YNZ will recognize these numbers for racing and identification purposes. The rules of issue are posted on the website along with application forms - applications are invited for consideration.

Contact Joyce if you would like a copy or an application form.
