Alpha-numeric Sail Numbers

The CYA has come to an arrangement with Yachting NZ to issue alpha-numeric sail numbers to CYA members' yachts in the APYMBA sequence abandoned on the introduction of national numbers in 1970.

YNZ will recognize these numbers for racing and identification purposes. The rules of issue are posted on the website along with application forms - applications are invited for consideration.

Contact Joyce if you would like a copy or an application form.

The CYA/ATBS Library

Is now open on Tuesday evenings and CYA members are welcome to visit. As there is still a need to comply with RNZAF security requirements at the gate in Buckley Ave, Hobsonville, CYA members who wish to have access will need to supply Harold Kidd with a standard 'mug-shot' photograph so a pass card can be issued.

Please contact Harold: harold@ktmlaw.co.nz or ph: 09 444 1279 (after hrs)

Books & Magazines for the CYA Library

We are happy to take any boatbuilding or yachting books and magazines that you'd like to donate to our ever-growing library.
