

**JULY: Club Night**

Tuesday 10 July: 6.30pm

Royal NZ Yacht Squadron, Westhaven

**Guest Speaker: Jasper Robertson  
Coastguard Northern Region Radio Operator**

This month's talk will be by Coastguard Northern Region's staff radio operator Jasper Robertson.

In both volunteer and staff capacities, Jasper has handled the base communications of many Coastguard incidents. He will be speaking on the correct use of marine radios and illustrating his talk with real life examples of what, and what not to do in an emergency.

CYA Skippers owe it to themselves and their crews to stay up to date with proper use of marine radios.

Jasper is also a passionate classic yacht enthusiast and CYA member.

CYA and Royal NZ Yacht Squadron members, partners and families all welcome

**CYA Diary:**

**Practical Guidelines for the Restoration, Preservation & Use of Classic Boats**

The Classic Yacht Association of New Zealand has just released a document explaining their views on classic boat restoration, preservation and use.

One might ask, why the need for this set of guidelines?

Interest in classic boating is growing rapidly on a worldwide basis. Why? People now understand that these one-off works of art are rapidly disappearing and, in most cases, will never be replaced. Some of these vessels have played an important part in our history and they are one of the few tangible ways future generations can relate with and experience the past. It is now up to this generation to preserve what remains and to set an example on their preservation and safe usage to ensure they survive intact into the future.
