

**June: Club Night**

**Tuesday 14 July: 6.30pm**  
**Auckland Traditional Boatbuilding School**  
**Hobsonville Air Force Base**

A tour of the School and Library

This is a very special invitation for our members to take a look around the school and library.

It is a wonderful opportunity for you to mingle with the night school students, to admire and be inspired by their achievements to build themselves a small boat, and perhaps become students yourselves!  
Spending time in the library to see the range and extent of books and magazines is also highly recommended, you will be amazed by the value and potential of this ever growing resource.  
And viewing the restorations currently in progress, 'Corona', Wairiki to name a couple is an absolute must.

You are welcome to join us for tea and biscuits after the tour

We are very indebted to Robert Brooke and his team for this opportunity and sure you will all be very impressed with the developments and progress both the school and the library have made in it's relatively short life.

A warm welcome is extended to all CYA, RNZYS members and partners

**DIRECTIONS:**

Proceed to the end of the North Western Motorway (Route 16) turning right at the lights at Westgate into Hobsonville Rd (Route 18): turn right at Buckley Rd – this is the last road before crossing the Greenhithe Bridge.

**At the security gates to the Base please advise you are visiting the ATBS**

Contact numbers on the night: Robert Brooke: 021-164-0504 or the ATBS 416-1023

**Please note:** this visit to the ATBS takes the place of our usual function at the Squadron

A warm welcome is extended to all CYANZ, RNZYS members, partners and guests to join us

**CYANZ Diary:**

- 5 July: Launch Gathering at ATBS
- 14 July: CYANZ Social Night
- 25 July: 3<sup>rd</sup> Winter Series race with RNZYS
- 18 August: CYA Annual General Meeting
- 22 August: 4<sup>th</sup> Winter Series race with RNZYS followed by the Winter Series Prizegiving

**Classic Launch Division News Update**

Sunday 5 July.....3.00-6.00pm

Launch division chairman Colin Pawson & Mark Stapleton will be hosting a short lecture and subsequent discussion on the causes and effects of galvanic action in older wooden boats. Most of us have vessels that show some signs of the problem with tell tale white fluffy deposits around bronze skin fittings, shaft glands and rudder posts.

Left untreated, serious damage can occur to the structure of the vessel. Understanding the mechanism causing the problem is an important step in controlling further damage (or preventing it in the first place).

And if our female members are thinking "that's as exciting as watching paint dry", there will be a separate talk by Chad Thompson especially for you, an introduction to boat handling, crewing and on water tuition in preparation for some enjoyable summer cruising.

**Venue:** Auckland Traditional Boat School, Hobsonville Air Force Base (note: it's a real 'live' base so when the guard stops you at the gate you will need to tell them you are attending the CYA function at the ATBS)

**BYO:** Sort of, we will provide the traditional sausages on the BBQ but if you fancy a cold beverage to wash it down with, feel free to bring what ever you like.

**RSVP:** Yes please – Joyce Talbot Ph 09 836 4747 or [admin@classicyacht.org.nz](mailto:admin@classicyacht.org.nz)

As there will be a hand out at the 'Galvanic Action' talk can you please advise when you RSVP if you will be attending this section, so we can ensure the correct quantities are on hand.

**VERY IMPORTANT:** If you have not already, please bring a photo of your boat; later on we will put together an ID booklet to help identify each other on the water.

## Do you own a classic launch?

While you may be a CYA member, in a lot of cases we know very little about you and your boat. We need this information to help us tailor our activities to match your expectations and we therefore need an up-to-date database so when we communicate to all the launch owners, we know that everyone that needs to, gets the news.

To this end we ask that you visit the CYA website & click on the 'Launch Division News & Events' section where you will find a database update form. Or call us and we will post out to you if you haven't already received one.

Can you complete & return it to us.

Rest assured that we will respect your privacy and abide by any conditions that you have already agreed to when you signed up to be a CYANZ member.

### Tuesday Night Hobby class

This popular course is based around the construction of traditionally built small craft.

### “ Building a Clinker Dinghy”

This one month full time course starts in June

**Also planned for later in the year** are short courses in –

- Maintaining a Traditional Boat
- Building a plywood Dinghy
- Preparation and Painting a Traditional boat
- Sparmaking
- Building a half model

*These courses are dependent on sufficient numbers (minimum of six people)*

## Coastguard Day Skippers and Boatmasters Courses

These are being held throughout the year.

Give Ray Pitcher a ring on 416 1024 or 027 243 8918 to register your interest or to obtain a prospectus.

***Come along and have a look. Join in with fellow enthusiasts.***

## The CYA/ATBS Library

Is now open on Tuesday evenings and CYA members are welcome to visit.

There is still a need to comply with RNZAF security requirements at the gate in Buckley Ave, Hobsonville.

CYA members who wish to have access will need to supply Harold Kidd with a standard 'mug-shot' photograph so a pass card can be issued.

Please contact Harold: [harold@ktmlaw.co.nz](mailto:harold@ktmlaw.co.nz)  
or ph: 09 444 1279 (after hrs)

## Books & Magazines for the CYA Library

We are happy to take any boatbuilding or yachting books and magazines that you'd like to donate to our ever-growing library.

### Windhaven – 73' Ketch Col Wilde design

Designed for the Spencer Family and launched in 1948. She was the largest most luxurious yacht built in N.Z. at the time.

After 30 years absence in California, Windhaven returned to Auckland under new ownership in 2004. Since then a major refit was undertaken, all features have been preserved, but all her operational systems are being thoroughly modernized.

"Windhaven" is now to be sold by tender.

As is unfinished.

For further information please contact Anthony at Laurie Collins Westhaven Ltd, ph: 09 376 6331 or 021 461 939

## Loloma E24 - Gaff Cutter

Built by J.J O'Rourke and launched in 1909.

Regular racer on the classic yacht scene, recent refit including new railcaps, hatch, skylight, full paint and varnish job. New sail wardrobe including new mainsail, genoa, topsail. also has storm trisail and jib plus regular jib and staysail combo. Spinnaker and pole included. All rope replaced with new braid in the last 2 years.

Powered by a Volvo Penta 2002(20hp) in immaculate condition. Fitted with a Kiwi-Prop so motors and sails very well. a few spare parts included. Includes VHF, Flares, GPS/Plotter, house and start battery. Usual manual and auto bilge pumps, good sized danforth anchor with chain and rope, Navman depth sounder and log installed, Compass etc.

Interior has \"Classic Yacht\" headroom and a head fitted. Squabs in excellent condition. New cockpit cushions included. New cover/boom tent covers from front of cabin to aft of cockpit.

Would consider some sort of Vendor finance arrangement and free sailing lessons if needed for the lucky new owner.
