Refresher First Aid Course
Winter 2015

With a little less time being spent on the water over the winter months, there may be an opportunity to indulge in a little first aid skills refresher. A four hour course is being planned for winter time, but I would like to gauge interest from our membership firstly before organising it further.

The course will cover:

- Airway, breathing and circulation
- Injury identification: CPR, shock, bleeding, torso injury, burns, fractures, soft tissue, head/neck and spinal, hot/cold, minor wound care, medical emergencies.
- Stabilisation/treatment
- Evacuation/patient handling
- Documentation

Price: \$42.50 per person

Date: August/September/October 2015

If you could email or phone Tanya if interested, the sooner the better for planning purposes. E. admin@classicyacht.org.nz
