

MAY: Club Night

Tuesday 12 May: 6.30pm
Royal NZ Yacht Squadron, Westhaven

GUEST SPEAKER: Derek Kelsall – sailor, boatbuilder extraordinaire

We are very fortunate to have Derek come and share some of his amazing adventures and journeys with us. Derek learnt to sail in Tripoli, North Africa and his travels have taken him sailing/racing around the world. His boatbuilding & racing adventures include (among many others):

- Sailing the first true mulihull to complete the Solo Atlantic race
- Winning the first Round Britain race in 1966 on the trimaran 'Toria', the first to win a major off shore open race and the first foam sandwich. She set the style that racers have followed since.
- Winning the 1968 Solo Atlantic race in the 'Sir Thomas Lipton' - a 58' classic style vessel built by Derek
- GB 11: in which Chay Blyth and his crew finished first in the very first Whitbread Around the World race. GB11 sailed five Whitbreads and is probably the yacht with the most miles under her keel.
- Race committee member on both the Atlantic and the Round Britain races, the invention of Blondie Hasler (Cockle Shell hero fame). Blondie and Derek wrote most of the rules.

CYANZ Annual Prizegiving

Wednesday 20 May: 7.00pm
Royal NZ Yacht Squadron, Westhaven

The Chairman and Executive Committee of the CYANZ warmly invite you, your partner, family and crew to attend the 2008-2009 season Annual Prizegiving.

Our Prizegiving was such a fabulous evening in 2008 and we're looking forward to another great night this year.

- 7.00 – 8.00pm: Complimentary Refreshments
Entertainment by the 'Mike Nisbet Trio'
- 8.00pm: Prizegiving and celebrations commence

Tickets: \$40.00pp includes one hour complimentary refreshments and finger food

RSVP essential: by 14 May

This is a catered event so an RSVP with numbers attending is essential by 14 May. It helps (me!) enormously if you can purchase tickets ahead of time

Payment can be made by cheque, Visa/Mastercard or online: 12-3071-0352226-00

Trophy winners: will be advised by mail

Placegetters: all yachts, and launches (who competed in the Rudder Cup), were first on line (FOL) or placed 1st, 2nd or 3rd in any of the event programme races and the Rudder Cup will receive an embroidered burgee recording their achievements. We would love to see you there to present your burgee to you in person.

The CYA/ATBS Library

will be open for members' research soon, probably only on Tuesday evenings for a start.

There is still a need to comply with RNZAF security requirements at the gate in Buckley Ave, Hobsonville.

CYA members who wish to get access will need to supply Harold Kidd with a standard mug-shot photograph so that a pass card can be issued.

Please contact Harold: harold@ktmlaw.co.nz

Classic Launch Division News Update

2008/9 has seen a resurgence in the launch division, spurred on by the amazing turn out for the the Rudder Cup. To capture this ground swell a launch committee (see below) has been formed with the short term objective of organizing a series of shore based events over the coming winter that will have appeal to launch owners, enthusiasts and their families.

The intention of these gatherings is to create a forum where classic launch owners and enthusiasts can share their knowledge and experiences with fellow boaties,.

The series kicked off on Sunday 26th May at the Auckland Traditional Boat Building School, at Hobsonville Air Force Base. Over 40 CYA members & supporters gathered for a BBQ & tour of the school.

Committee chairman Colin Pawson said that with over 75 launches in the fleet he hoped that the series would provide the perfect venue to allow attendees to put a name and face to the classic launch fleet and this coming summer the CYA burgee would be gracing the bays around the gulf in increasing numbers.

The full series calendar will be posted on the CYA website shortly but please put a circle around Sunday 31st of May – 3.00pm . James Mobberley from Moon Engines is opening his workshop to us for an informative insight into the fundamentals of engine operation and maintenance or more to the point “what diesel mechanics wished every boat owner knew”. Full details will be sent to members, which is a great reason for you to check that Joyce has your correct contact details.
