

Wheels will Travel

Sailing abroad brings with it a certain number of hurdles to conquer. So no doubt you can imagine how challenging it could be if you are in a wheel chair. Warren Shave has done exactly that; in a wheelchair and aboard a Logan 33 travelling around England and Ireland.

Warren's Talk will be followed by a Boat Owners Meeting for CYA Members, whereupon you can give the team your feedback about the Association, its events and any concerns you may have. If you would like something to be addressed, now is the time to do it.

Come and join us on the 8th May the new time of **7.30 pm** at the RNZYS.

You can always come a little early and enjoy a drink at the bar.

As always we welcome all CYA and Squadron Members.

Classic Register Book: Summer 2012

It is time to begin the 2012 Classic Register listings. If you had your vessel listed in the 2011 book and you are happy with the information and photo, it will automatically be updated.

However, if it needs updating, please send Chris Miller the name of the vessel and the updated information.

If your vessel does not appear at all Chris requires five essentials:

1. Date of design and designer.
2. Name of your vessel.
3. The Owners name.
4. A Mobile Phone Number.
5. A good photo of your vessel, so it can be easily identified. The photo needs to be of a reasonable standard and copyright free..... a jpg of about 500k plus is preferred.

Send these directly to chrism@pix.co.nz

NB: For those of you who would like their vessel information on the CYA website, you are welcome to update your information anytime on the site.

Show you float.....

The Safety of the Captain and Crew of Vessels is imperative. The CYA recommends that lifejackets are worn whilst cruising and racing especially when the

weather is not ideal and/or there is a lot of other boat traffic about.
