ARE YOU PASSIONATE ABOUT SAILING?

DO YOU WANT TO BE PART OF A UNIQUE SAILING
REGATTA?

YES! Then please read on. Sailability Auckland is passionate about making sailing accessible for everyone. We have been providing sailing opportunities for people with disabilities since 1992. Next year we are running the Access Liberty world championships from 25 January - 31 January 2009 from the Viaduct and we are expecting up to 60 international competitors.

We need volunteers to help with the organising and running of this unique regatta. This event will see people with and without disabilities competing in the same event (sailing really is the most accessible sport in the world!). If you can help for a day or more please contact us.

A pre-regatta training / meeting & greeting session will be organised, date and venue tbc.

Tasks vary from administration, registration, boat preparation, helping sailors into boats, on the water support and Cafe/Bar work.

The regatta will be run from the old Team NZ base at the Viaduct and all the racing will be run by the Royal NZ Yacht Squadron.

We are also seeking sponsorship and the use of a few more inflatable support boats.

If you would like to be part of this inspiring event either as a sponsor, please contact **Tim Dempsey** on **09 834 0557** timdempsey@xtra.co.nz or contact **Helen Teale** if you would like to sign up as a volunteer on **09 360 8528** helenteale@gmail.com

Please note: This will not be all hard work! We will endeavour to get as many of our volunteers out on to the water to see some of the action first hand. The Louis Vuitton Pacific Series crews are next door and in pre-match training that week, so there should be a fantastic atmosphere.

We will also provide lunch and a snazzy shirt!
