

**November Club Social Night**

Tuesday 9 November at 6.30pm  
Royal NZ Yacht Squadron, Westhaven

**Guest Speaker: Brent Palmer from Lifeline**

We are very fortunate in having Brent come along and share his expertise with us.

Brent does all of the first aid training for the NZ Coastguard & the NZ Maritime School and he will talk about new developments in the industry and recommendations for medical kits on race boats & Coastal & Offshore cruising vessels.

Brent will have medical kits to demonstrate the essentials you need and answer any questions you may have. Having a basic knowledge of first aid could save someone's life when help isnt a short drive to the hospital.

We cant recommend your attendance at this evening enough.

We look forward to seeing you there and as always a warm welcome is extended to all CYA and Royal NZ Yacht Squadron members and partners

**Launch Picnic Event: Saturday 13 November**

time to slip the lines & enjoy summer.....

The season kicks off on Saturday 13th November with our first big event being a cruise up the Weiti /Wade River for a byo BBQ lunch at the Stillwater Holiday Park. The park is the perfect setting with wharf & anchoring facilities in front of the lawn. Last year was a great family day out & we are looking forward to an even bigger & better day this year.

**What do you need to know?**

**Meeting Time:** 9.30am off North Head or 11.00 am off the Wade River red outer marker. **Note:** High tide is midday

**On the day point of contact:**

Mark Edmonds - MV Monterey 0274 935 657

If you are boatless or time poor, the location means you can attend by car as the park is less than 40k from the city. So load up the car with the picnic gear & meet up with those that cruise up. There also will be several members of the GT Falcon car club attending.

**Stillwater Holiday Park,  
2 Duck Creek Road,  
Stillwater**

## Alpha-numeric Sail Numbers: 2010-11 Season

The CYA has come to an arrangement with Yachting NZ to issue alpha-numeric sail numbers to CYA members' yachts in the APYMBA sequence abandoned on the introduction of national numbers in 1970. YNZ will recognize these numbers for racing and identification purposes. The rules of issue are posted on the website along with application forms.

Contact Joyce if you would like a copy or an application form
