

### OCTOBER: Club Night

Tuesday 9 October: 6.30pm

Royal NZ Yacht Squadron, Westhaven

Special Guest Speaker: Brent Palmer from Lifeline  
Please join us to hear our very important guest speaking about FIRST AID on boats.

A subject that is so important for skippers, crew, and guests on board, and one that can never be refreshed enough.

You could save a life simply by knowing what to do should the occasion ever arise, or prevent serious damage to a fellow crew member – again, by being safety conscious and knowing how to handle an injury.

We look forward to a bumper attendance.....

CYA and Royal NZ Yacht Squadron members, partners and families all welcome

### Protected Objects Act & Classic Vessels

The following message has been received from the Ministry of Culture & Heritage regarding Internet Auction Sites.....

The Ministry closely monitors the sale of Protected Objects overseas (which includes some vessels over 50 years of age) on these sites and would greatly appreciate being informed of any item/vessel, which you think could be defined as such so a possible breach of the Act can be avoided.

## Practical Guidelines for the Restoration, Preservation & Use of Classic Boats

The Classic Yacht Association of New Zealand has just released a document explaining their views on classic boat restoration, preservation and use.

One might ask, why the need for this set of guidelines? Interest in classic boating is growing rapidly on a worldwide basis. Why? People now understand that these one-off works of art are rapidly disappearing and, in most cases, will never be replaced. Some of these vessels have played an important part in our history and they are one of the few tangible ways future generations can relate with and experience the past. It is now up to this generation to preserve what remains and to set an example on their preservation and safe usage to ensure they survive intact into the future.
