With the racing season upon us, it is important that you get your race entries in. With the new website, entering races has been made a lot easier. Simply follow the steps, once you've gone onto the Sailing Tab.

You can either choose an **Online Entry** (credit card required):

- Select the Series and/or individual races you would like to do.
- Fill out the entry form at the bottom of the page, and submit
- Add to cart: This will calculate the sum of the races entered and you will be required to enter your credit card details here.

Or you can choose the **Manual Entry Form** where you simply complete and either scan and email to:

admin@classicyacht.org.nz or post to P O Box 911055, Victoria St West, Auckland 1142.

We welcome volunteer help with the following Classic Yacht Association events hosted this season.
