## Racing.....

*There have been a few changes over the last year with the Racing Management of 'On the Water Events'. The most important change has been that Joyce Talbot has stepped down from her role in race management.*

*On behalf of the Executive Committee I would like to thank her for all her input over the years; ensuring that the key objectives are met with every event: great sailing & cruising, inspiring a wide involvement by members, tight record keeping and as always creating a fabulous camaraderie. We look forward to seeing Joyce*

*sailing more and enjoying the fruits of the Association. Thank you Joyce.

O F A U S T R A L I A

Planning is already underway for the next CYAA Cup Regatta, to be held in Docklands, Melbourne, Australia. Every year with a firm contingent of sailors head over the Tasman to fly the New Zealand flag, rival their Aussie Classic Sailors in some excellent racing, topped off with lots of onshore fun. The CYAA have proven to be fabulous hosts to us over the years and they would like to welcome some great competition from us once again.

For all those sailors keen for a challenge and a lot of fun across the ditch, please let me know as soon as possible. An early indication is important as you will need to make an early booking of accommodation. This event backs onto the Melbourne Cup, a good reason to extend your stay for a day or two.

The schedule is as follows:

31st October: Yacht selection/practice  
and Short Course  
Match Racing

Welcome dinner & Cocktails @ Docklands  
1st November: Racing (Passage Race)  
2nd November: Race # 2  
3rd November: Race # 3  
BBQ Lunch & Presentation at RYCV
